# Free Milk and Cookies! RLM 9.210

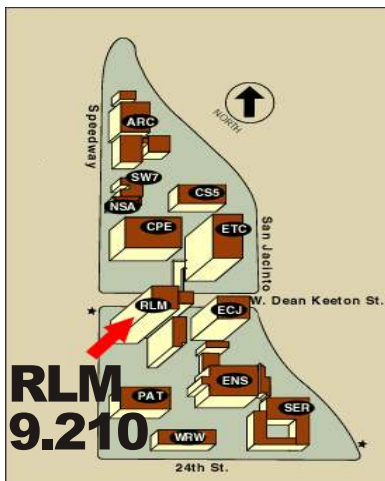

The UT-Austin Center for Particle Physics is pleased to relay the following announcement from the Pulitzer Prize Foundation's Science Committee:

“For his revolutionary work on the behavior of ‘massless gauge bosons in a magnetic field,’ we award the Pulitzer Prize in Physics to Todd M. Tinsley on this day, the First of April, 2004.”

(Official award announcement Apr. 5 -see <http://pulitzer.org>)

Dr. Tinsley

**Come by RLM 9.210  
Today (April 1st) to Enjoy  
FREE Milk & Cookies and  
to Congratulate Dr. Tinsley**
